

# Tyrone Harward

## Candidate for 5-Year Trustee

### Utah State Firefighters' Association

With a career in the Utah fire service beginning in 2008, I have dedicated my life to the safety of our communities and the strength of our membership. I currently serve as a **Captain** and **EMS Training Officer** for the **St. George Fire Department**.

Throughout my years of service, I have held several critical roles within my department and the broader fire service community:

- **St. George Fire Association President** (Two Consecutive Terms)
- **Association Vice President, Trustee, and Secretary**
- **EMS Training Officer** – Leading a team of instructors to improve community care.
- **Haz-Mat Technician**
- **Washington Metro Public Order Team Member** – Proving my ability to collaborate across multi-agency jurisdictions.
- **Fiscal Management** – Proven track record of meeting departmental goals and association objectives within budget constraints.

My experience as a multi-term Association President has given me a deep understanding of the governance, fiduciary oversight, and member advocacy required of a USFA Trustee. I know how to lead with integrity and how to ensure an association remains fiscally sound while serving its members' best interests.

**Why I am Running:** I am running because I truly love this Association and the unique bond it creates between firefighters, both old and new. This

Association provides us a way to celebrate those who came before us while preparing for everything the future will bring. I want to see our traditions continue to thrive and ensure the Association prospers for years to come, remaining a cornerstone of support and camaraderie for every firefighter in Utah.

In closing, I would like to thank the past and current board members for their hard work in building this association. I am eager to bring my experience in leadership and inter-agency collaboration to the USFA board to help lead us into the future.

Thank you for your time and your vote.

**Stay Safe,**

**Captain Tyrone Harward St. George Fire Department**
