Board of Directors and Members
Utah State Firefighters' Association

To the Board of Directors and Members of the Utah State Firefighters' Association,

I am writing to formally declare my intent to run for the position of Secretary of the Utah State Firefighters' Association and to respectfully ask for your support.

As a lifetime member of this Association, I have been honored to serve alongside so many dedicated professionals who are committed to the protection of life, property, and the communities we serve across Utah. Over the course of more than 30 years in the fire service, I have had the privilege of working with outstanding individuals and agencies, all united by a shared mission and a deep sense of responsibility to the public.

My previous service to the Association includes time on the Board of Trustees, as well as the distinct honor of serving as President during the challenges of the COVID-19 pandemic. Those experiences provided me with a strong understanding of the Association's operations, its challenges, and its opportunities. They also reinforced my belief in the importance of steady leadership, clear communication, and strong organizational continuity.

If elected as Secretary, I am committed to supporting the Board and membership through accurate recordkeeping, transparent communication, and a continued focus on strengthening the Association's role in representing and supporting Utah's fire service. I believe this position plays a critical role in preserving the integrity of our work and ensuring that the decisions and direction of the Association are clearly documented and effectively communicated.

I would be grateful for your consideration and support. It would be an honor to continue serving this Association and its members in this capacity.

Respectfully,

Brady L. George
